### FOOTBALL SPIRIT GROWS AT COLLEGE

Victory in El Paso Causes  
Enthusiasm Among A.  
& M. Pupils.

Agricultural College, N. M., Oct. 25.—The football spirit is taking on some of its old time vigor since the teams have been so successful in their games this year. New men are reporting for practice every day, trying to fill places left vacant in the second eleven by players being promoted to the first eleven. A strong exhibition of college spirit was shown when word was received of the victory in El Paso. The students turned out to meet the victors at the train on their return and for several years there has not been such keen spirit among the students.
